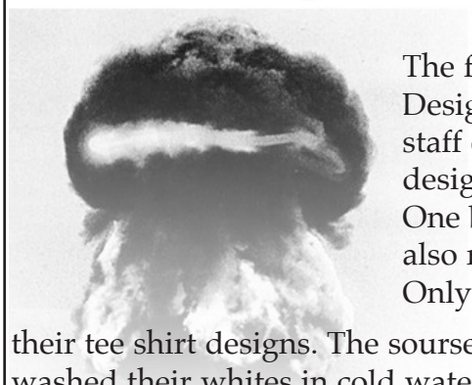
Has your GDTee Disappeared? We'll replace it for FREE!!!



The Mystery solved!

The first case of the "Disappearing Designs" began when one of the staff complained their tee shirt design disappeared in the wash. One by one, the rest of the staff also reported the disappearances. Only two people did not lose their tee shirt designs. The sourse of their immunity? They washed their whites in cold water.

So, if you ordered one of the "Blind, Screwing Cockroaches" teeshirts and would like it replaced, here are the instructions:

1) Wash it in the HOTTEST water you can get to remove what is left of the pattern.

2) E-mail Hell's Kitchen (diablo@csh.rit.edu) with your name and email address.

3) If you are in our records, we will pick up your totally white tee-shirt and replace the pattern at NO COST TO YOU!

We believe in quality...and washing in Cold Water Only™.
