Hell's Kitchen is Free
But Freedom has its price.

Although many people can pick up *Hell's Kitchen* at various locations for free, it still costs money to produce. *Hell's Kitchen* is a Sharezine, meaning that if you enjoy it, we'd like you to make a donation. It doesn't need to be much; just send us a check for an amount you think we deserve. Free subscription with any donation over nine dollars. See back for details. Your donation will go right back into printing and help ensure that *Hell's Kitchen* can continue to produce weekly material.

Make you checks or money orders out to Hell's Kitchen, 472 French Rd., Rochester, NY, 14618

Wanted: People interested in helping distribute Hell's Kitchen on MCC. The only requirement is that you understand why a publication that says it is weekly *must* have issues out weekly.

How would you like to have Cafe Diablo sold at your next event?

Thanks to years of research by the Bacchus Corp (a subsidiary of Hell Inc.) we now have a working and portable CAFE DIABLO MACHINE and are ready to dole out the brew along with assorted pastries to the unwitting public.

Email diablo@csh.rit.edu or call 235-7666

We will accept barter and other forms of shady, underhanded dealings.

Computer Science House

Part of the Rochester Institute of Technology's Special Interest Housing program, Computer Science House (CSH) is located on the third floor of Nathaniel Rochester Hall (north wing) and extends into the third floor (east wing) of Helen B. Fish Hall. There are 65 members living in 30 rooms, and approximately 50 active alumni and off-House members. CSH is a revolutionary living environment that combines extensive technical resources with a warm and friendly "family" atmosphere.

For information, contact CSH via webmaster@mail.csh.rit.edu

Shiny Bits

Specializing in custom clothing and jewelry, *Shiny Bits* is dedicated to helping you make your ideas realities. Choose from pre-made pieces or have a piece made to your specs.

Call 235-2136 and ask for Heather or email hjd7673@rit.edu for details.

"Stop the Noise!"

Rube Goldberg Contest

GDT's third, but hopefully not last, contest. In honor of all things crafty & wacky, GDT is sponsoring a Rube Goldberg Contest with the goal of stopping the noise of an alarm clock.

US$200+ prize

Winner takes all!

Deadline: April 18th, 52AT (1998)

Entries will be judged on originality, superfluousness, grooviness, and other intangible qualities.

Rules:

- Machines must work without interference from start to completion.
- No caustic chemicals, explosive chemicals, or incendiary devices.
- The machine need not be silent.
- A minimum of eight separate steps must be made to complete the task, four of which must be purely mechanical
- Supply your own damn clock!

For details contact Hell's Kitchen via

ERROR NOTIFICATION

The Special Samhain Issue of *Cereal* had a duplicate page snuck into it by a faulty Printer Dæmon. However, our misfortune is your windfall: extra copies of the afore mentioned special issue will be free while supplies last. We would have caught the error, but we were giving out candy in Da Hood.

Hell's Kitchen would like to thank the following and your shoe size for their financial and in-kind support. The views and opinions expressed in Hell's Kitchen are not necessarily those of Hell's Kitchen or its sponsors.
